American Kids Pre-School is a school centered around an American pre-school educational system. We are an English oriented school with an international environment. "In Japan, we can experience the feeling of being abroad," is the phrase our school is founded on.

### **American Kids International Program**

With the help of English teachers and Japanese staff, we offer an international life.

**Name:** American Kids Pre-school

**Date of Establishment:** April 2011

**School's Place** 203# Aphrodisia 2-6-18 Kizawaminami Toda

**Class Capacity:** Each class there is a 10 student limit

Rabbit Class (1.5~3year olds), Elephant Class (4/5 year olds)

**Hours:** 9:30~13:30 (however, overtime is available)

### **Educational Philosophy:**

- We believe each child is an individual with individual needs.
- We offer an international and global environment.
- We hope to let students grow unrestricted.
- We want all of our students to be considerate and gentle.

**Class Curriculum:** Maria Montessori's 5 Senses Method (Montessori Method)

- Intellectual Training
- Moral Education
- Physical Education
- Music Education
- Art Education

The language used is English. All activities (singing, PE, creating, studying) is in English.

Primarily, foreign culture is received during school.

The English teacher in charge is a teacher who has child-nurturing experience. So, please entrust even a small child without worry, because our teachers are qualified.

Because there is an opportunity to acquire and use English, it is possible for English conversation to be naturally mastered without great difficulty.
